DEWAN OF MYSORE

BALLABROOIE,
HIGH GROUND,
BANGALORE.

12th February 1923.

My dear sir,

I acknowledge with many thanks your strictly confidential letter of the 10th February sending me a copy of the letter which His Highness wrote to Lord Reading and of a letter from the Hon'ble Mr.Thompson, Political Secretary. I think it is desirable to point out that out of a total sum withheld which amounted for the three years to over 30 lakhs, a sum of only 13 and odd lakhs has been paid conditionally. But this may be done when further representations are made during my discussions with the Government of India this month.

Yours sincerely,

Amin-ul-mulk
Mirza I.Ismail, B.A., O.B.E.,
Private Secretary to His Highness
the Maharaja of Mysore.
